PROLIFE FACTS

Lifesite News reports that the US-based Family Research Council has commented on New Zealand's Bereavement Leave for Miscarriage Bill.

"Affirming the death of a child in miscarriage is a tragedy, while pretending that abortion is somehow a woman's right, leads down a very dark road where an unborn child's worth is based simply on whether he or she is wanted.

Hopefully, New Zealand's Bereavement Leave for Miscarriage Bill will prompt the need for pro-life legislation which truly advances women's rights.

Let us pray that this legislation will lead to NZ becoming a nation that recognises inherent value in every father, mother and every child – including unborn children."

The Pastor's Pen..

Dear Holy People Of God,

Welcome to our second Sunday of Easter, which marks the end of eight days of our reflections after the resurrection, the beginning of the first Christian Community in Jerusalem and the Feast of the Divine Mercy. On his first Easter appearance Jesus bestows the three significant gifts: peace, the mandate to preach and the Spirit of reconciliation and mercy. These gifts have brought grace as well as obligation. However, the Lord's commandments are not burdensome but life-giving. As a Christian Community, let us not be doubtful like Thomas but be grateful, thankful and faithful to the Lord that through these gifts, we become one with Him and with one heart and mind with all our brothers and sisters in faith. My sincere gratitude for all your prayers, support and service for our Parish during Holy Week and Easter. May God bless you all.

Happy Divine Mercy Sunday and safe week ahead.

Jesus I trust in you.
